20

FUN FACT

Another fun fact is that a group of pugs is actually called a Grumble!

21

22

23

24

25

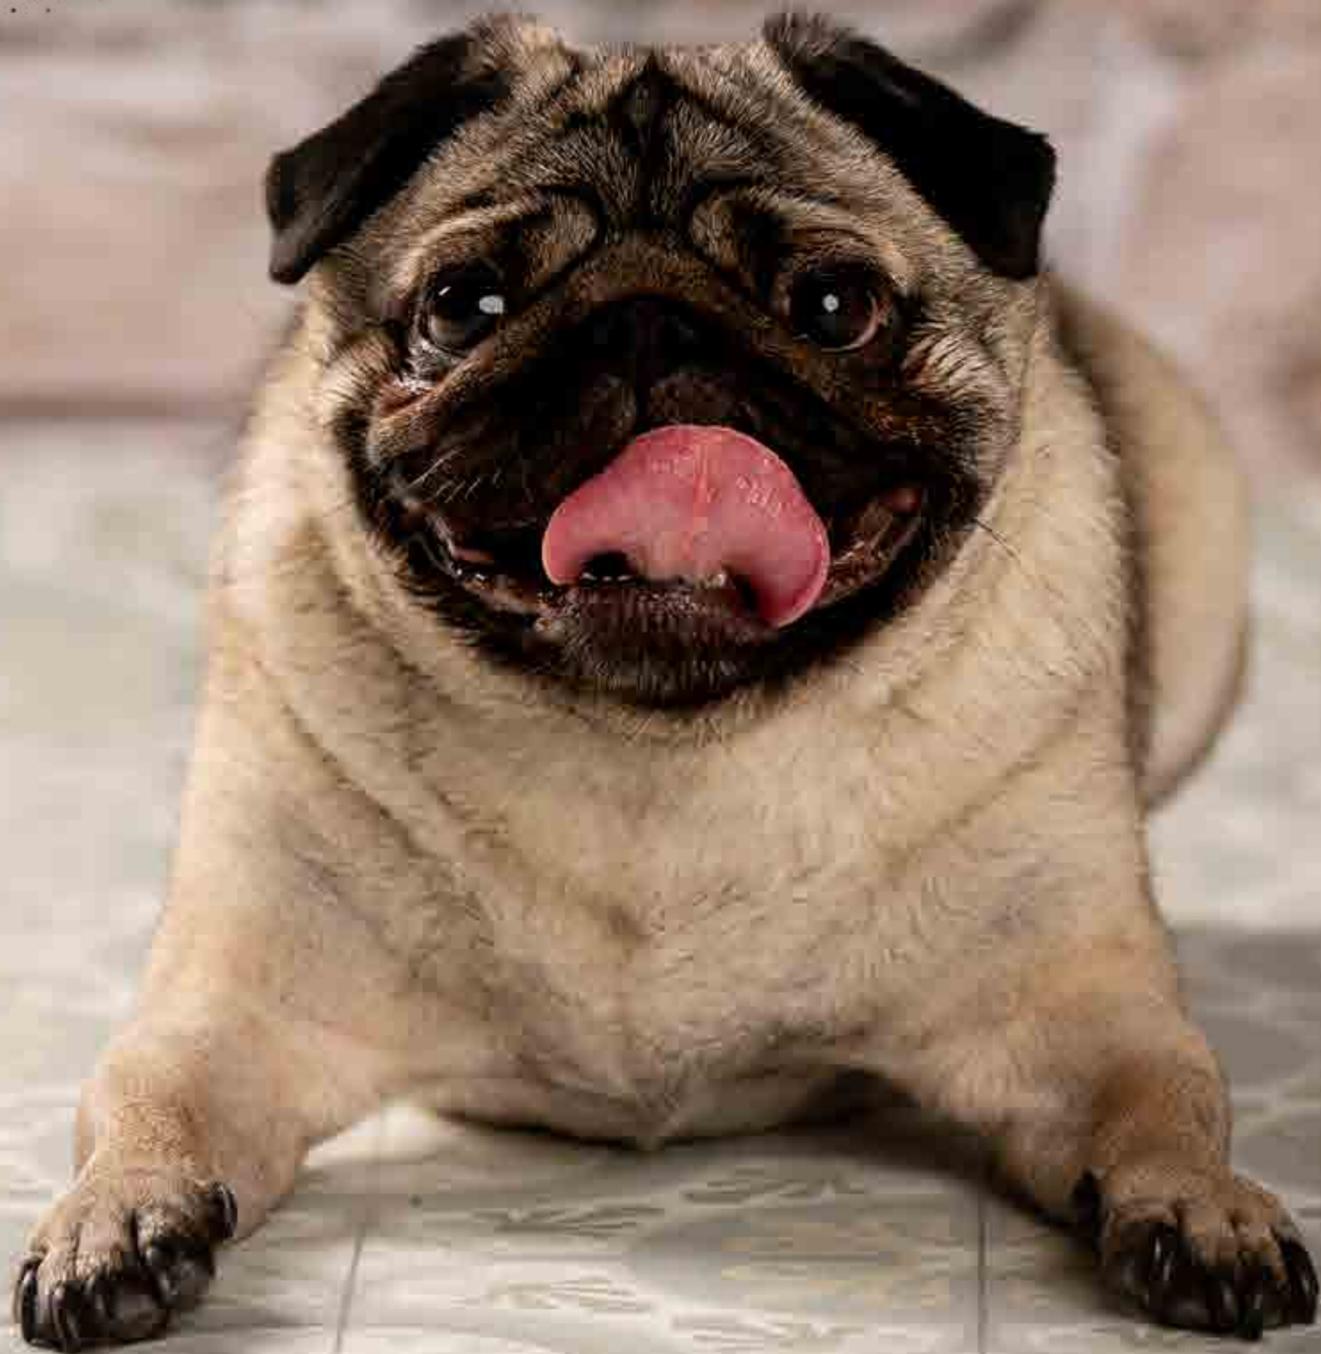

FUN FACT

Pugs are often referred to as “shadows” as they’re often found right beside their owner – this is because they love company and like to stay close to the action.

66

FUN FACT

Pug's flat faces can make it difficult for them to take deep breaths, as a result for that when Pug's are running around you might hear their signature snuffling sound. The dogs are still very energetic, but they might not be the best swimmers and may have trouble on airplanes.

67

68

69

FUN FACT

Back in the 19th Century, Queen Victoria had a passion for pugs and was known to own several

74

75

76

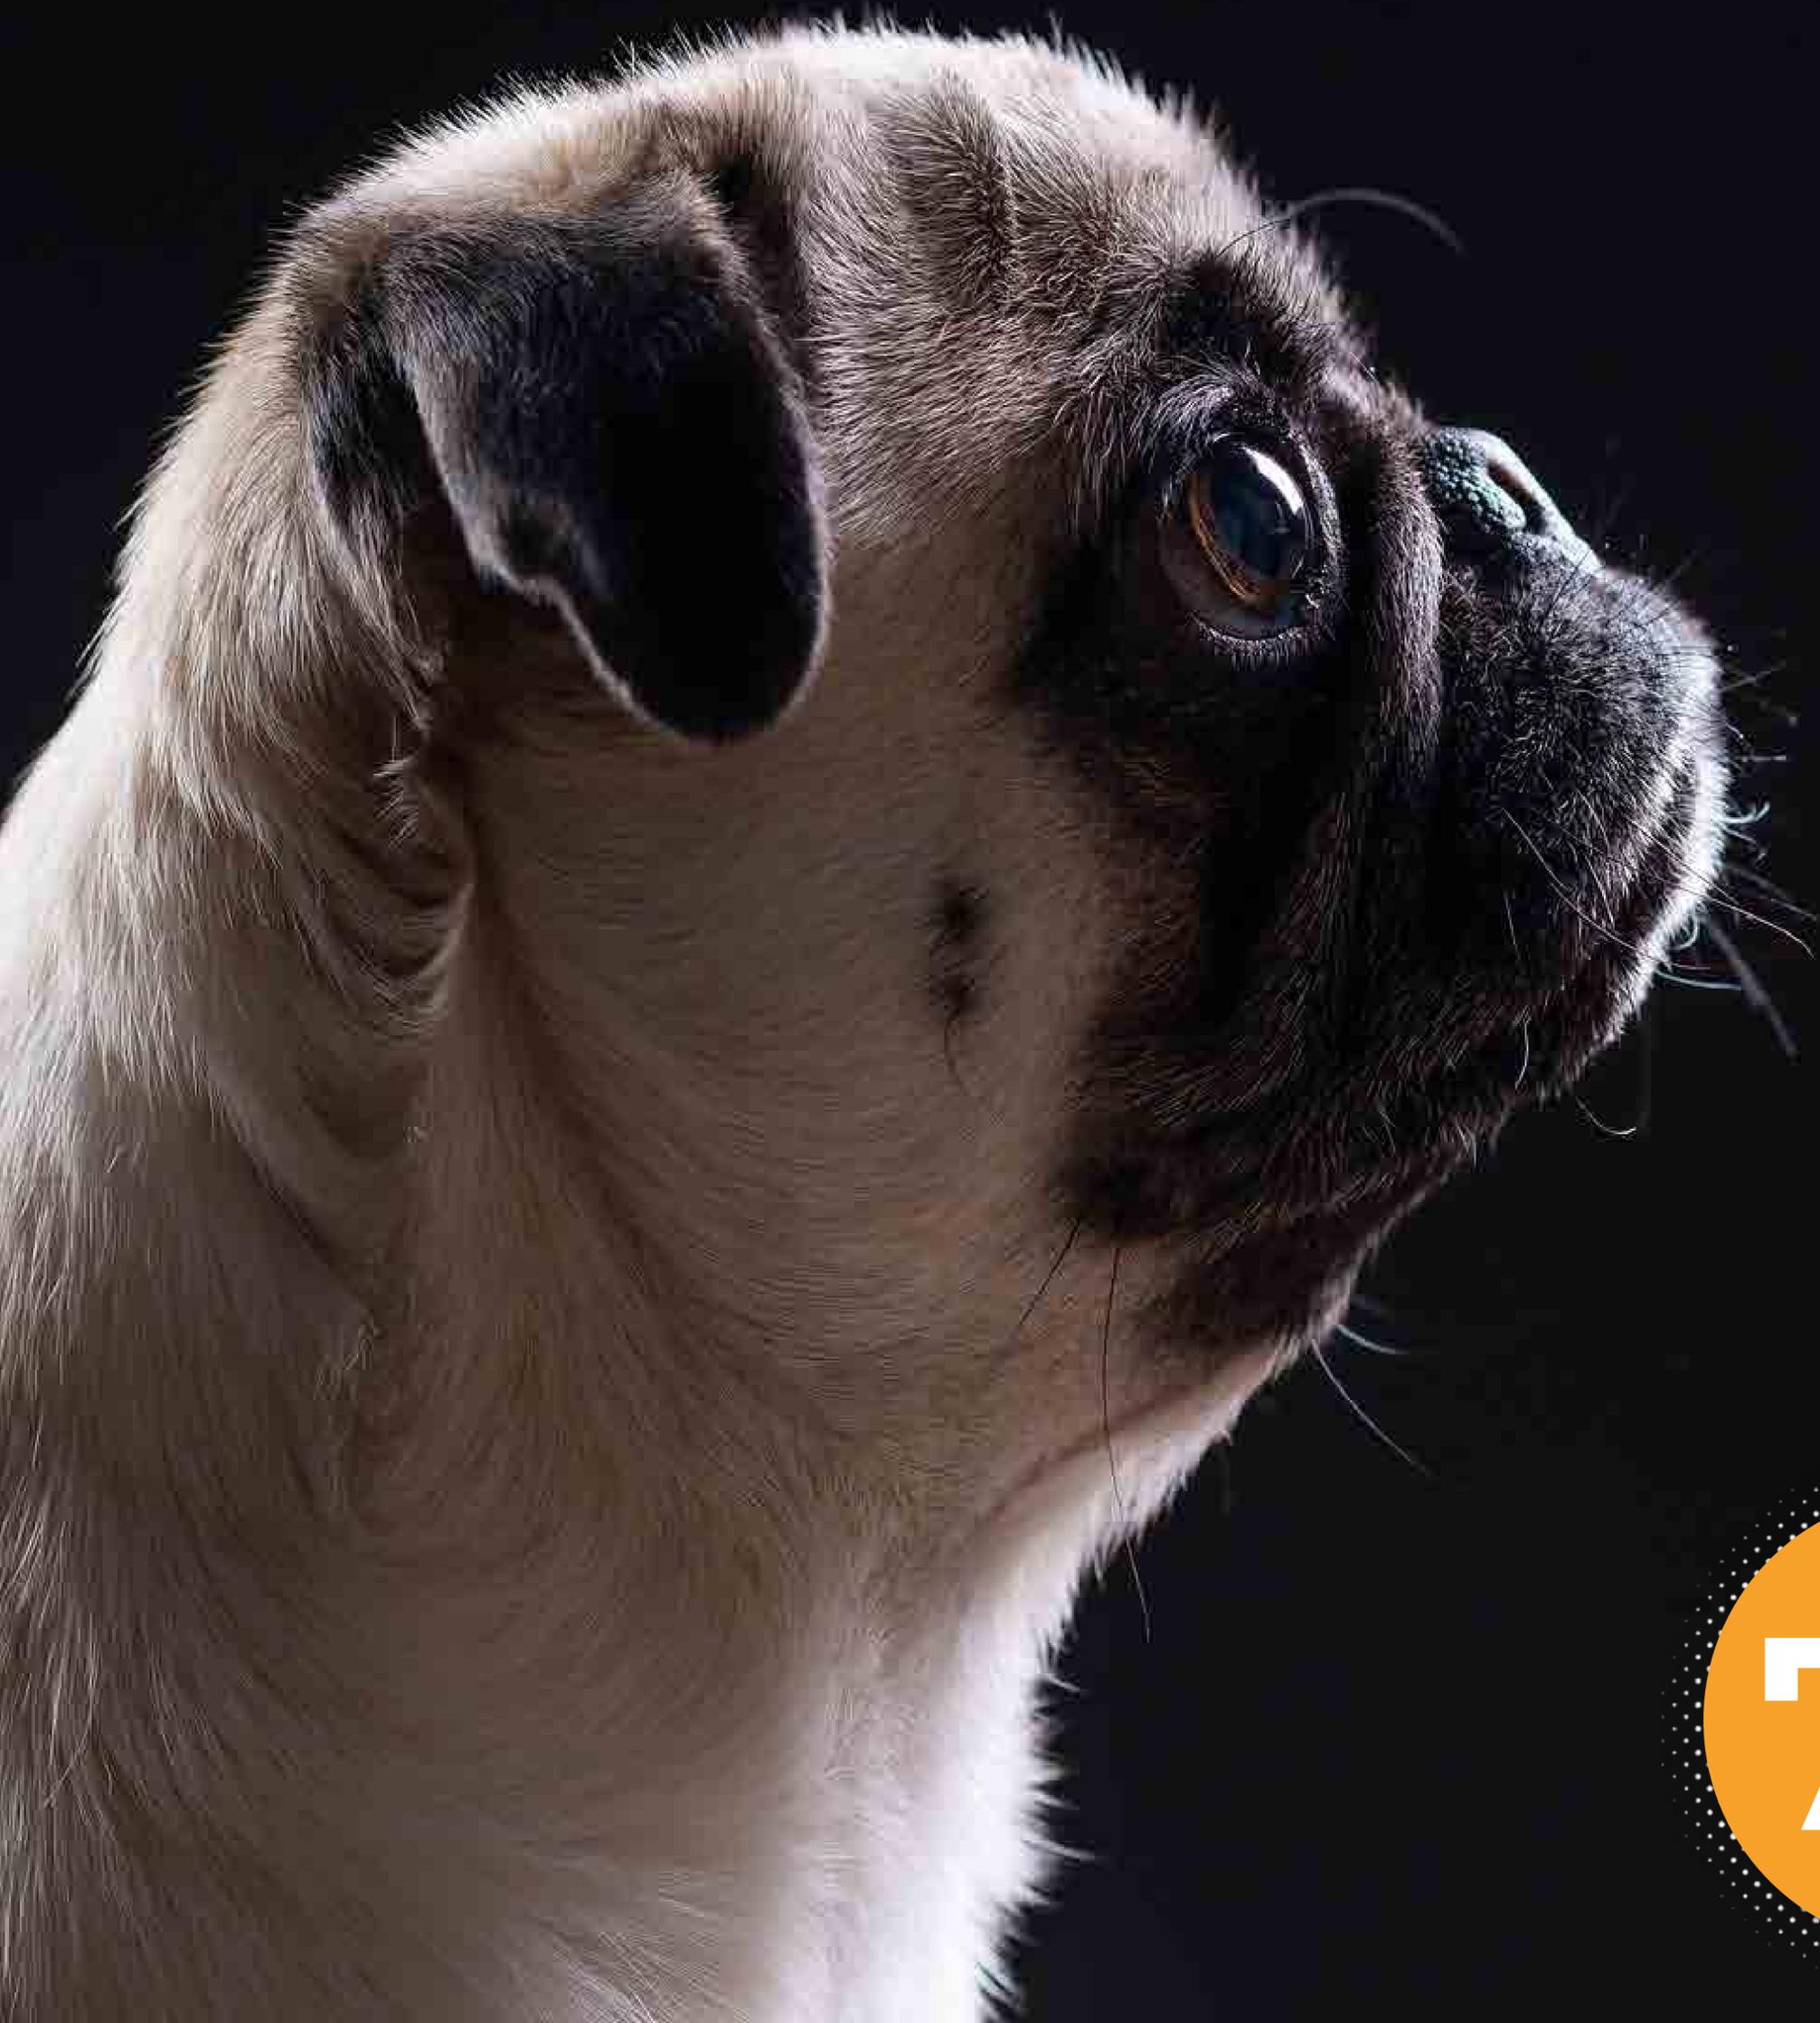

FUN FACT

Pugs are commonly known as being rather lazy - they sleep for about 14 hours a day on average.

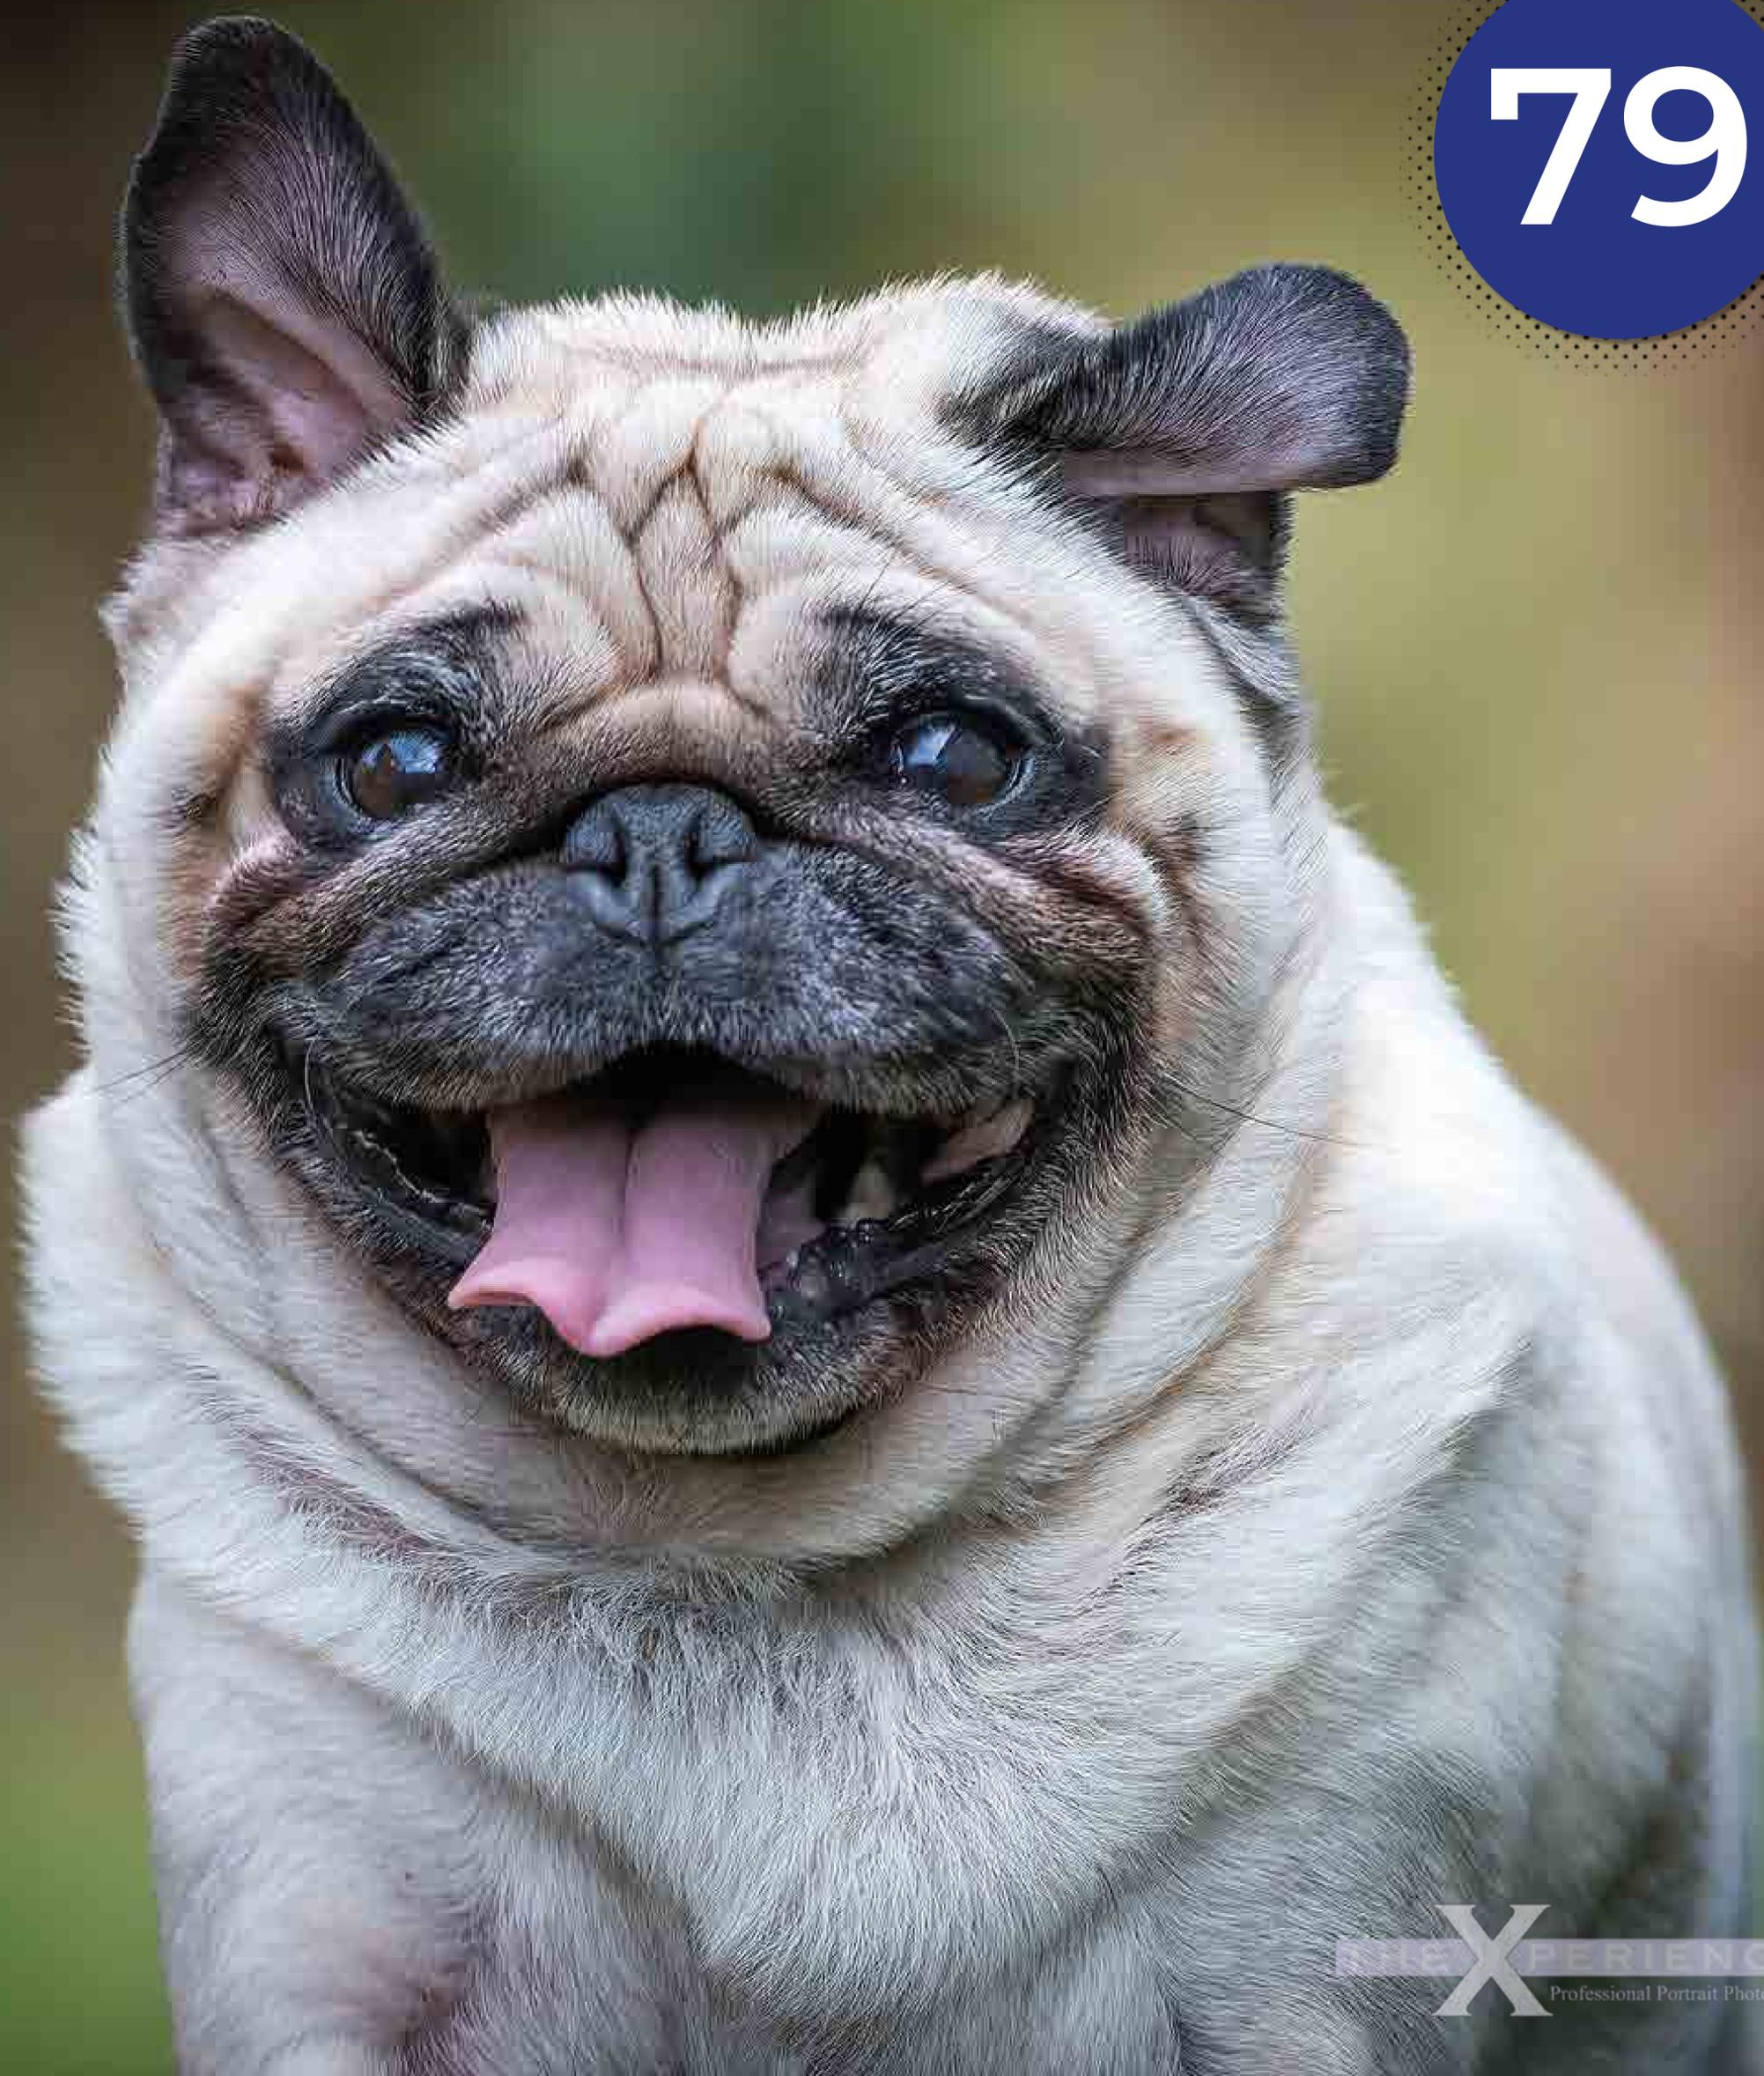

77

78

79

80

82

83

FUN FACT

Pugs catch colds easily and can't tolerate very hot/cold weather well.

84

85

86

87

FUN FACT

The German word for pug is mops.

88

89

90

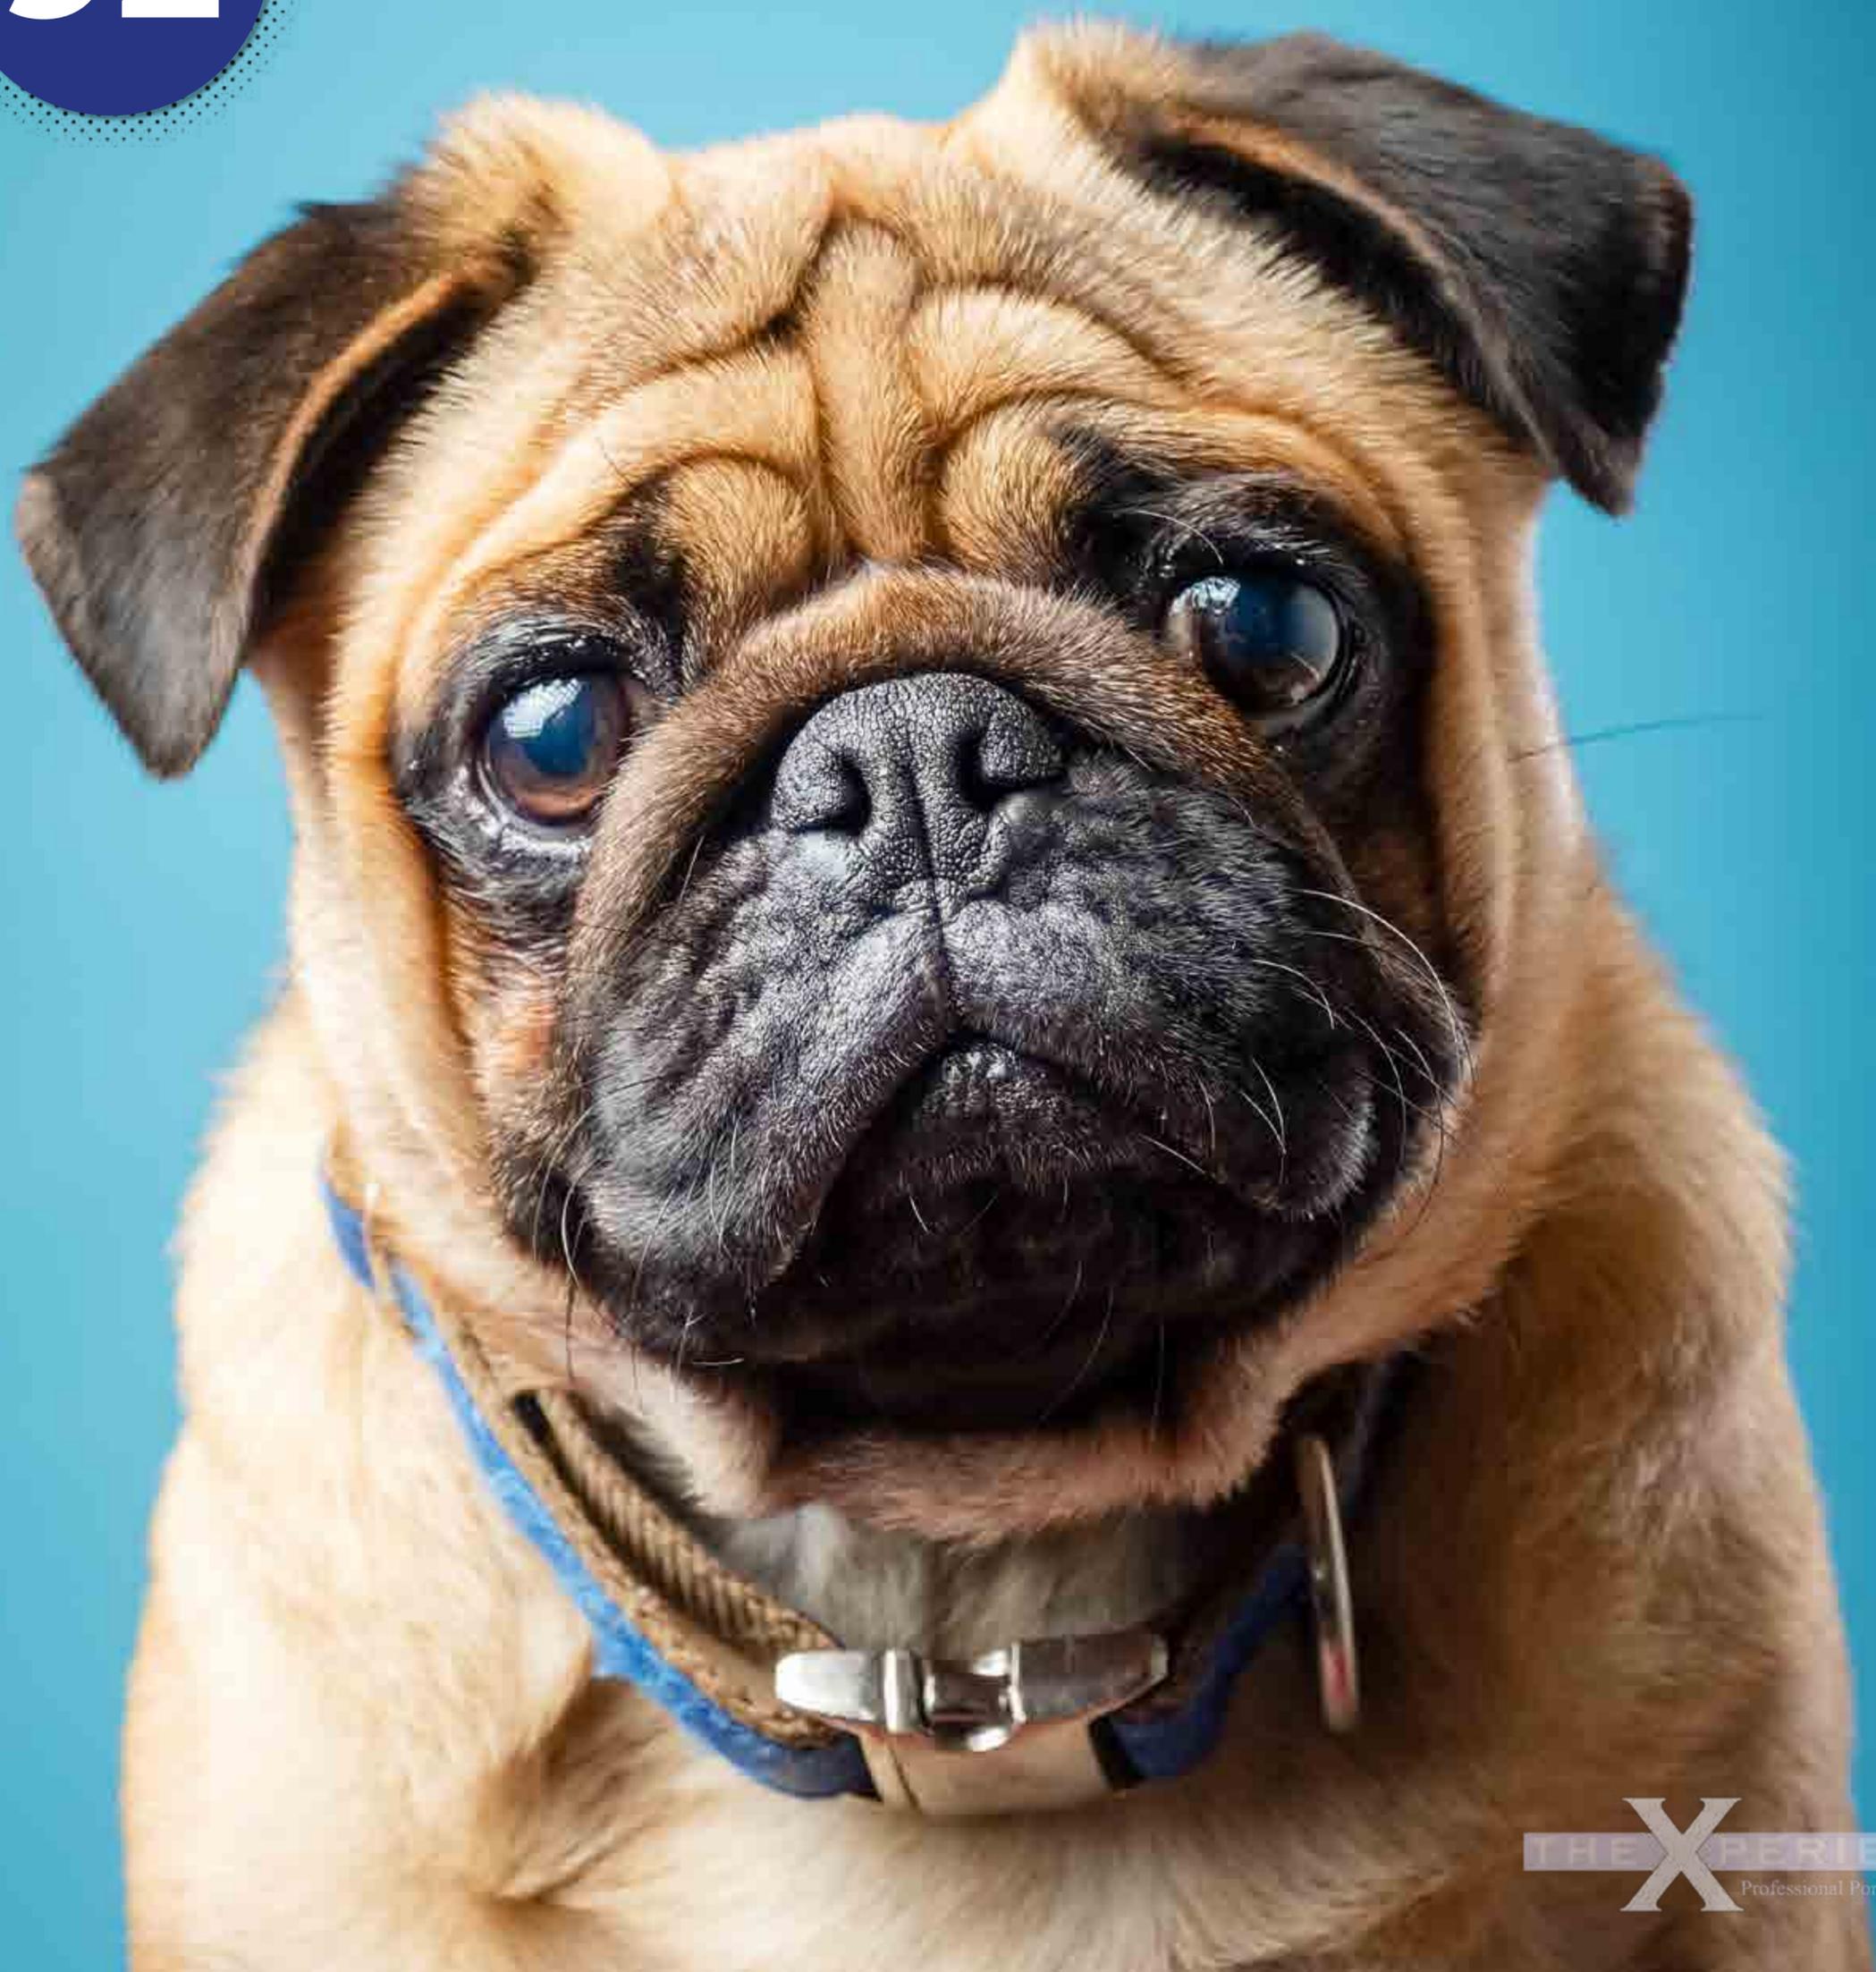

FUN FACT

In the 16th/17th Century, pugs were known to ride up in the front of private carriages, often dressed in jackets that matched the coachman.

91

92

93

94

95

96

97

FUN FACT

Chinese breeders purposefully bred pugs to have wrinkles. They aimed to create a pattern on the pugs forehead that resembled the Chinese character for "prince".
